**Altered lipid and bile acid metabolism in
Glycogen Storage Disease type Ia:
pathophysiological mechanisms and
therapeutic opportunities**

Joanne A. Hoogerland

The work described in this thesis was performed at the Department of Pediatrics, Center for Liver, Digestive, and Metabolic Diseases, University Medical Center Groningen, University of Groningen, Groningen, The Netherlands. This work was supported by an unrestricted research grant from DSM Nutritional Products (Kaiseraugst, Switzerland).

Printing of this thesis was financially supported by:

University of Groningen

University Medical Center Groningen (UMCG)

Groningen University Institute for Drug Exploration (GUIDE)

Cover design by Jan Freark de Boer and Joanne Hoogerland

Layout by Joanne Hoogerland

Altered lipid and bile acid metabolism in Glycogen Storage Disease type Ia: pathophysiological mechanisms and therapeutic opportunities

Proefschrift

ter verkrijging van de graad van doctor aan de
Rijksuniversiteit Groningen
op gezag van de
rector magnificus prof. dr. C. Wijmenga
en volgens besluit van het College voor Promoties.

De openbare verdediging zal plaatsvinden op

maandag 14 september 2020 om 16.15 uur

door

Johanna Anne Hoogerland

geboren op 26 maart 1991
te Goes

Promotor

Prof. dr. F. Kuipers

Copromotor

Dr. M.H. Oosterveer

Beoordelingscommissie

Prof. dr. M. Brouwers

Prof. dr. K. Schoonjans

Prof. dr. J.A. Kuivenhoven

Table of contents

Chapter 1	General Introduction	7
Chapter 2	Hypoglycemia aggravates dyslipidemia in GSD Ia <i>via</i> enhanced adipocyte lipolysis and impaired VLDL catabolism	33
Chapter 3	Hepatic ChREBP activation limits NAFLD development in a mouse model for Glycogen Storage Disease type Ia	69
Chapter 4	Pharmacological FXR activation redirects pyruvate towards glucose-6-phosphate and only slightly reduces hepatic steatosis in a mouse model for Glycogen Storage Disease type Ia	105
Chapter 5	Glucose-6-phosphate regulates hepatic bile acid synthesis in mice	143
Chapter 6	General Discussion	177
Chapter 7	English summary	199
	Nederlandse samenvatting	205
	Curriculum Vitae	211
	List of publications	213
	Acknowledgements	215
