Downloaded from the University of Groningen/UMCG research database (Pure): <http://www.rug.nl/research/portal>. For technical reasons the number of authors shown on this cover page is limited to 10 maximum.

The background of the cover is a complex, abstract texture. It features a diagonal line running from the top-left towards the bottom-right. To the left of this line, there is a pattern of interlocking puzzle pieces, though the pieces themselves are not clearly defined, only their outlines are visible. The entire background is covered in a mottled, marbled texture with colors ranging from deep blue at the top to yellow and green towards the bottom, with some reddish-brown accents. The title is prominently displayed in the upper half.
