For that one fraction of a second, you were open to options you had never considered. That is the exploration awaiting you. Not mapping stars and studying nebulae, but charting the unknown possibilities of existence.

Star Trek: The Next Generation
Season 7, episode 25

Table of Content

Chapter 1

Page 6

General introduction

Chapter 2

Page 26

Effects of context, content, and task factors of digitally delivered feedback on learning performances: A meta-analysis

Chapter 3

Page 52

The role of intrapersonal factors in the processing of digitally delivered feedback: A systematic review

Chapter 4

Page 78

Exploring the direct and indirect effects of feedback-seeking behaviour, metacognition, and motivation on secondary school learners' expository geography text comprehension

Chapter 5

Page 104

A learner-oriented approach to deriving profiles based on learners' metacognitive reading strategies, motivational facets, and feedback-seeking behaviour to predict expository geography text comprehension

Chapter 6

Page 126

General discussion and conclusion

Addendum

Samenvatting (Dutch summary)
