Targeting mitochondria to prevent diclofenac-induced liver toxicity

PhD thesis

to obtain the degree of PhD at the
University of Groningen
on the authority of the
Rector Magnificus Prof. C. Wijmenga
and in accordance with
the decision by the College of Deans.

This thesis will be defended in public on

Wednesday 1 September at 9:00 hours

by

Fabio Alejandro Aguilar Mora

born on 26 February 1990
in Morelia Michoacán de Ocampo, Mexico

Supervisor

Prof. A.J. Moshage

Co-supervisor

Prof. K.N. Faber

Assessment Committee

Prof. A.M. Dolga

Prof. P. Olinga

Prof. M. Arrese
