Studies on Superantigens and Antibody Directed Enzyme Prodrug Therapy for Tolerable Targeted Cancer Treatment

Sara S Bashraheel

The research described in this thesis was performed in the Protein Engineering Lab, Research Department, at Anti-Doping Laboratory Qatar (ADLQ). The work was financially supported by Anti-doping Lab Qatar (ADLQ) and Qatar National Research Fund (QNRF) NPRP6-065-3-012, Doha, Qatar.

The author gratefully thanks QNRF for funding part of this work and University of Groningen (UG) and Anti-Doping Laboratory Qatar for facilitating the research and printing the thesis.

 groningen

Studies on Superantigens and Antibody Directed Enzyme Prodrug Therapy for Tolerable Targeted Cancer Treatment

PhD thesis

to obtain the degree of PhD at the
University of Groningen
on the authority of the
Rector Magnificus prof. C. Wijmenga
and in accordance with
the decision by the College of Deans.

This thesis will be defended in public on

Friday 20 September 2019 at 11.00 hours

by

Sara Bashraheel

born on 1 July 1989
in Doha, Qatar

Supervisors

Prof. A.S.S. Dömling

Prof. S.K. Goda

Assessment Committee

Prof. L. Chouchane

Prof. F. Kuipers

Prof. M. Schmidt

Thesis Content:

Chapter 1: Introduction to the Thesis.....	7
Chapter 2: Update on Targeted Cancer Therapies, Single or in Combination, and their Fine Tuning for Precision Medicine	15
Chapter 3: Studies on Vascular Response to Full Superantigens and Superantigen Derived Peptides: possible production of novel superantigen variants with less vasodilation effect for tolerable cancer immunotherapy	53
Chapter 4: Isolation and Molecular Characterization of Novel Glucarpidases: Enzymes to improve the antibody directed enzyme pro-drug therapy for cancer treatment	79
Chapter 5: Production of “biobetter” variants of glucarpidase with enhanced enzyme activity	113
Chapter 6: Production of “biobetter” glucarpidase variants to improve Drug Detoxification and Antibody Directed Enzyme Prodrug Therapy for Cancer Treatment	139
Chapter 7: Summary and Future Prospects	171
Chapter 8: Samenvatting en Toekomst Perspectieven	175
Chapter 9: الملخص والرؤية المستقبلية	181
Chapter 10: Appendix	185
Conferences	186
Acknowledgements	187
