Erratum

Online Erratum

The authors have been alerted to an error in the advanced online version of Francx et al. (2015) with regard to the coordinates provided in Table 3: voxel coordinates were provided rather than Montreal Neurological Institute (MNI) coordinates: the corrected MNI coordinates are shown below (columns X, Y, Z).

Table 3 Peak voxels and localization of significant clusters of categorical and dimensional analysis

Analysis	WM	n Voxels	MNI (Peak voxel)			t_{\max}	p-value
