Bacterial fingerprints across Europe

PhD Thesis

to obtain the degree of PhD at the
University of Groningen
on the authority of the
Rector Magnificus Prof. E. Sterken
and in accordance with
the decision by the College of Deans.

This thesis will be defended in public on
Monday 24 November 2014 at 14.30 hours

by

Corinna Glasner

born on 16 March 1985
in Dinslaken, Germany

Supervisor

Prof. J. M. van Dijl

Co-supervisor

Prof. H.-J. Grundmann

Assessment committee

Prof. E. Feil

Prof. M. Hecker

Prof. B. Kahl

Für meine Bücheroma und meinen Kinderopa

TABLE OF CONTENTS

Part I		11
Chapter 1	Introduction and scope of this thesis	13
Part II		41
Chapter 2	Rapid and high-resolution distinction of community-acquired and nosocomial <i>Staphylococcus aureus</i> isolates with identical pulsed-field gel electrophoresis patterns and <i>spa</i> -types	43
Chapter 3	High-resolution typing by MLVF unveils extensive heterogeneity of European livestock-associated methicillin-resistant <i>Staphylococcus aureus</i> isolates with the sequence type 398	55
Chapter 4	<i>Staphylococcus aureus spa</i> -type t437: identification of a community-associated clone from Asia across Europe	61
Chapter 5	A combined genomic and proteomic portrait of sequential <i>Staphylococcus aureus</i> isolates from a patient and his female partners	75
Chapter 6	High anti-staphylococcal antibody titers in patients with epidermolysis bullosa relate to long-term colonization with alternating types of <i>Staphylococcus aureus</i>	99
Chapter 7	Low anti-staphylococcal IgG responses in granulomatosis with polyangiitis patients despite long-term <i>Staphylococcus aureus</i> exposure	107
Chapter 8	Molecular fingerprints of <i>Staphylococcus aureus</i> from ANCA-positive vasculitis patients in the Netherlands	127
Chapter 9	Genetic diversity of <i>Staphylococcus aureus</i> in buruli ulcer patients	141
Chapter 10	The dynamic changes of dominant clones of <i>Staphylococcus aureus</i> causing bloodstream infections in the European region: Results of a second structured survey	159
Part III		173
Chapter 11	Carbapenemase-producing <i>Enterobacteriaceae</i> in Europe: a survey among national experts from 39 countries, February 2013	175
Part IV		187
Chapter 12	Summary and future perspectives	189
Part V		203
	Samenvatting en toekomstperspectieven	205
	Zusammenfassung und Zukunftsperspektiven	219
	List of publications	233
	Biography	241
	Acknowledgements - Dankwoord - Danksagung	243
