Huitsing, G. (2014). *A social network perspective on bullying*. [Thesis fully internal (DIV), University of Groningen]. University of Groningen.

Copyright

Other than for strictly personal use, it is not permitted to download or to forward/distribute the text or part of it without the consent of the author(s) and/or copyright holder(s), unless the work is under an open content license (like Creative Commons).

The publication may also be distributed here under the terms of Article 25fa of the Dutch Copyright Act, indicated by the "Taverne" license. More information can be found on the University of Groningen website: <https://www.rug.nl/library/open-access/self-archiving-pure/taverne-amendment>.

Take-down policy

If you believe that this document breaches copyright please contact us providing details, and we will remove access to the work immediately and investigate your claim.

Downloaded from the University of Groningen/UMCG research database (Pure): <http://www.rug.nl/research/portal>. For technical reasons the number of authors shown on this cover page is limited to 10 maximum.

Acknowledgements

This work is part of the research program “Research Talent” (Grant 021.002.022), which is (partly) financed by the Netherlands Organisation for Scientific Research (NWO).

The research in Chapter 2 was partly financed by grants from the Academy of Finland (Grants 121091, 134843) to Christina Salmivalli.

The research in Chapter 4 was partly financed by the Swiss National Science Foundation (National Research Programme 52, Grant-No 4052-69011) to Francoise Alsaker. We thank Francoise Alsaker (University of Bern) for providing us the opportunity to work with the data and Mark Huisman (University of Groningen) for his advice on missing data imputation.

The data collection for the research in Chapter 5 was partly supported by the Dutch Ministry of Education (Onderwijs Bewijs).
