Acknowledgements

I would like to use the opportunity to express my gratitude toward those people who contributed to this thesis.

First of all, I wish to thank all the patients with multiple sclerosis who participated in this study, sharing their thoughts and feelings with me. This project would not have been realized without their willingness to participate in the data collection.

From the University Medical Centre Groningen, the Netherlands, I would like to express my thanks particularly to:

- Prof. Dr. Johan W. Groothoff, my promotor, for his professional support during my PhD study, for his constructive remarks and important suggestions for improving the manuscripts, and for sharing his extensive knowledge with me.
- Assoc. Prof. Dr. Jitse P. van Dijk, my co-promotor, for his openness in starting this project, for his help with my scientific development, for the enthusiasm he provided in unpleasant times with ups and downs, for his endless involvement and for his belief that I would be able to rise to the challenge of the project in the final step.
- Dr. Berrie Middel, my co-promotor, for his contribution to the design of the research project, to statistical issues, to analyzing my data, and for his positive support during my PhD study.
- The Promotion Board: Prof. Dr. O.F. Brouwer, Prof. Dr. J.H.B. Geertzen, and Prof. Dr. M. Hagedoorn for their detailed comments and critical questions on this thesis.
- I would also like to thank to all my colleagues from Groningen, especially: Ms. Truus Ittersum-Gritter for articles retrieval, Mr. Willem S. Lok MSc for his help with statistics, and to many others.

From Slovakia, I would like to express my sincere appreciation to:

- Dr. Iveta Rajničová, my co-promotor, who supported me in my work, spent hours with me to teach me how to improve my papers, helped constantly with statistical issues in the manuscripts, and showed me the way when I felt lost among all the information.
- Assoc. Prof. Dr. Zuzana Gdovinová, my co-promotor and Head of the Department of Neurology, Faculty of Medicine, University of PJ Safarik, Kosice, for her openness to the idea of interdisciplinary cooperation within this research project and especially for her human approach to my work. Thank you very much for the great working environment which you, as a head of the department, have permanently built up.

- Dr. Jaroslav Rosenberger, for his help with clinical and methodological issues, for all his important advice when practical problems arose, and for his useful remarks on my whole thesis.
- My gratitude also goes to the former Dean of the Faculty of Medicine and current Rector of the University of PJ Safarik in Kosice, Prof. Dr. Ladislav Mirossay, for being open to this international project and the collaboration between University of Groningen and the University of PJ Safarik.
- I very much appreciate that I was able to cooperate with Dr. Andrea Madarasová Gecková, who started this courageous project based on the cooperation between University of Groningen and University of PJ Safarik. She was my first supervisor in the field of public health, quality of life and methodology.
- My special thanks go to my research partner, Dr. Miriam Polanová, who participated in the MS project as a neurologist, and who helped me with data collection and safely drove her car during our long travels to patient interviews.
- I am very grateful that during my cooperation with the Department of Neurology I have worked with Dr. Jarmila Szilasiová, Dr. Zuzana Novosadová, Dr. Eva Feketeová and Tatiana Dubayová MSc and others, who taught me a lot from the field of neurology and clinical psychology, and with whom it was a pleasure to work. I also wish to thank research assistants Dr. Katarína Schwartzová and Andrea Pilátiková MSc for their assistance with data collection, and the following neurologists from the Kosice, Presov and Zilina regions: Prof. E. Kurča, Dr. I. Haffnerová, Dr. M. Rozprávková, Dr. M. Sýkorová, Dr. D. Ballayová, Dr. M. Čunderlíková, Dr. I. Ducárová, Dr. A. Hrubovská, Dr. A. Kravecová, Dr. A. Kučerová, Dr. M. Troščák and Dr. Z. Žoldošová for their cooperation.
- I would also like to thank Assoc. Prof. Dr. Ivan Žežula for his inspiring comments on the statistics included in the manuscripts.
- I am very thankful to Andrew J. Billingham and David L. McLean for their skills in proofreading the manuscripts and embroidering the English, and to Iveta Budai for the very nice design of this book.
- I want to express my gratitude to my former colleagues at the Department of Educational Psychology and Health Psychology, Faculty of Arts, University of PJ Safarik, Kosice, and especially to: Assoc. Prof. Dr. Oľga Orosová, Dr. Beáta Gajdošová, Head of the Department of Educational Psychology and Health Psychology, and furthermore all KISH members for their friendship and building up of a good work atmosphere: Ivana Majerová MBA, Martina Súkeníková MBA, Nicol Hendrichovská MBA, Jarmila Frištiková MBA, Mária Sarková MSc, Dr. Zuzana Škodová, Ferdinand Salonna MSc, Zuzana Veselská MSc, Zuzana Tomčíková MSc, Jozef Benka

MSc, Ondrej Kalina MSc, Peter Kolarčík MSc, Mária Humeníková MSc, Dr. Mária Bačíková, Zuzana Rišková, Dr. Adriana Čverčková, Dr. Eva Havlíková, Dr. Helena Vargová, and others.

- I am very grateful to my colleagues at my new workplace, the 1st Department of Psychiatry, Faculty of Medicine, University of PJ Safarik for creating a supportive environment that allowed me to finish my book. I especially want to thank Dr. Eva Pálová, Head of the 1st Department of Psychiatry and Dr. Silvia Kitková, Vicehead of the 1st Department of Psychiatry, furthermore to my colleagues: Dr. Milana Kovaničová, Patrícia Vesel Ganoczyová MSc, Lucia Medvecká MSc, Dr. Alžbeta Hajková, Dr. Ľudovít Beleš, Dr. Dagmar Breznoščáková, Dr. Jozef Dragašek, and others.
- Mama, oco a Maroš, ďakujem za vašu oporu, ktorú ste mi vždy poskytovali a dôveru, ktorú ste do mňa vkladali. Aj za to, že ste ma vždy podporovali v mojich plánoch a dokázali ma znovu usmerniť, keď náhodou nevyšli.
- My deep gratitude goes to my husband Peter and to all my friends, who joined me in this adventure from the beginning and are always standing by my side.
