ACKNOWLEDGMENT

I would like to express my deepest gratitude to Dr. Jolande Land, MD, Professor of Reproductive Medicine in the department of Obstetrics and Gynecology, University Medical Centre Groningen for her constructive guidance, valuable instructions and continuous encouragement during the final steps of this work. Her help and support will be extremely appreciated throughout my career.

I would also like to thank Professor Dr. Ashok Agarwal, PhD, HCLD, at the Glickman Urological and Kidney Institute, Cleveland Clinic Lerner College of Medicine for his valuable assistance and great professional help. He provided vast resources and continuous motivation during my tenure at the Cleveland Clinic, Cleveland, Ohio, USA.

I am deeply indebted to Dr. Anthony J. Thomas, Jr., MD, Staff and former Head of the Male Infertility Section at the Glickman Urological and Kidney Institute, Cleveland Clinic Lerner College of Medicine for his unlimited support when I needed it the most.

I value very much having the opportunity to work with Professor Dr. Hans -Juergen Glander, MD, PhD, Professor Dr. Uwe Paaasch, MD, PhD and Dr. Sonja Grunewald, MD, PhD at the Department of Dermatology, Venerology and Allergology, European Training Center of Andrology, University of Leipzig, Germany. My collaboration with this outstanding group of physicians and scientists was an important milestone in my research career.

I would also like to express my deepest thanks to Dr. Alfonso P. Del Valle, MD, FRCS(C), Medical Director of the Toronto Institute for Reproductive Medicine, Toronto, Canada. He provided me with a unique opportunity to develop my clinical laboratory and research skills. I value very much his mentorship.

I have had the valuable opportunity to learn and be trained at the Department of Dermatology, Venerology and Andrology, Alexandria Faculty of Medicine, Egypt. I am greatly thankful to all my Professors and Staff members for exceptional support and generous help.
