CURRICULUM VITAE

About the author

Asmar Al Hadithy was born in November 1977 in Odessa, Soviet Union (Ukraine). As a child he moved with his parents to Iraq (Mosul), where he attended the College of Pharmacy at the University of Mosul (in 1995). During his study he had to flee Iraq in 1998.

In the Netherlands, after passing a Colloquium Doctum for pharmacy in 2000, Al Hadithy was able to resume his pharmacy education at the University of Groningen. In 2004, he obtained his MSc degree (*Cum Laude*) in pharmacy (Pharmacokinetics and Hospital Pharmacy) and two years later he obtained his *Apothekersbul* (~PharmD degree). During the final years of his pharmacy education, Al Hadithy combined his training program with research activities (PhD project).

Next to his PhD program, Al Hadithy has held several positions, including a position as a clinical assessor at the Medicines Evaluation Board (CBG-MEB). In 2008, he became an expert for the European Agency for the Evaluation of Medicinal Products (EMA). Al Hadithy has obtained several awards and grants.

Currently, he is following a 4-year residency program in Hospital Pharmacy at the Erasmus Medical Center (Erasmus MC) in Rotterdam, the Netherlands.

Al Hadithy is happily married and is father of Saffiya.
