# Acknowledgements

I would like to use this place to express my gratitude and love to all the people in my life, who were there for me and were a part of the process during which this thesis came to life.

Let me start with expressing my gratitude to people from University Medical Center Groningen in The Netherlands. I would like to thank particularly to:

- *Prof. Sijmen A. Reijneveld*, my promoter, for sharing his knowledge and all his inspiring comments and important ideas, which always guided me through my work and helped me find the way, when I felt lost.
- *Assoc. Prof. Jitse P. van Dijk*, my co-promotor, for his enthusiasm, which was essential for this international cooperation between University of Groningen and PJ Safarik University, and which brought me here in the first place. His never-ending encouragements always kept me going.
- *Members of the Department of Social Medicine*, University Medical Center Groningen for their company during my stays in their department and the wonderful atmosphere they created.

Also, I would like to thank to many people here in Slovakia at University of PJ Safarik in Kosice:

- *Assoc. Prof. Andrea Madarasová Gecková*, my co-promotor, for all the opportunities she offered me, for her support and advices she gave me along the way and for the belief she had in me from the beginning.
- Thanks to *Ivana Borysová, Martina Sukeňiková, Janka Mattová, Jarka Frištiková, Nicol Hendrichovská* and *Zuzka Rišková* for the entire administration backup that make my work life so much easier and smoother.
- *Andy Billingham* and *David McLean* for doing their proofreading of my manuscripts and improving my English along the way.
- All other present and past KISH members; namely *Dr. Iveta Rajničová-Nagyová, Dr. Zuzana Katreniaková, Dr. Jaro Rosenberg, Assoc. Prof. Olga Orosová, Dr. Beáta Gajdošová* for being open for and creating the possibility of this unique international cooperation between University of Groningen and University of PJ Safarik.
- My past and present colleagues at work *Maťa Chýlová, Táňa Dubayová, Zuzana Škodová, Lucia Príhodová, Jozef Benka, Radka Šufliarska, Martina*

*Behanová, Barbora Šilarová, Martina Mergeščíková, Pavol Mikula, Gabriel Koľvek, Matej Škorvanek, Lukáš Pítel, Peter Kolarčík, Ondrej Kalina, Ferdinand Salonna, Maja Bačková, Danka Bobáková, Peter Koncz, and Jarka Rondžošová* for all the time we spend together and the memories they created.

Also, I would like to express my gratitude to the members of the Manuscript Committee *Prof. Dr. Marjolein Y. Berger, Prof. Dr. Ivo Čermák* and *Prof. Dr. Rafael P.M. Wittek* for the time they spent on evaluating my thesis.

My gratitude also goes to the Dean of Medical Faculty of the PJ Safarik University in Kosice, *Prof. Dr. Leonard Siegfried* for supporting the Graduate School Kosice Institute for Society and Health and enabling this collaboration between the University of Groningen and the University of PJ Safarik.

Special thanks to my amazing friends starting with the friends I found at work *Marika* and *Zuzka*. You changed the place where I worked into something more than just a workplace and I want to thank you so much for that. Let me also express how glad I am, that all of my friends, namely *Pefa, Adelka* and *Pefo* are a part of my life. You were here for me when I needed a good laughter or a piece of advice. Both were taken with gratitude and love.

Last but definitely not least I want to mention some special people, my family. I want to thank my *mom* and my *dad* for having faith in me and encouraging me in every decision I made in my life, always believing in my choices that led me to this place. I want to thank my *brother* for being a wonderful and caring older brother, to his great wife *Denisa* and their beautiful daughter *Nela* for being an amazing part of my life, my family, and a great relief from my work. Finally I want to thank my boyfriend *Michal* for his love, never-ending support and all the laughter he gave me throughout all those years, which were not always so easy. I love you all very much.

Košice, August 2010
