## CURRICULUM VITAE

Peter Ruben van Dijk was born in Zwolle, The Netherlands on October 7<sup>th</sup>, 1986. After finishing VWO at Carolus Clusius College in Zwolle, he started medical school at the Radboud University Nijmegen in 2005. During his study, he participated in scientific research towards muscle invasive bladder cancer at the department of Urology and idiopathic membranous nephropathy at the department of Nephrology. After finishing medical school, Peter started his PhD at the Isala Diabetes Centre in Zwolle studying continuous intra-peritoneal insulin infusion in type 1 diabetes mellitus (promoters prof. dr. H.J.G. Bilo and prof. dr. R.O.B. Gans). After the defence of his thesis he will start his clinical training in internal medicine at the Isala (dr. P.H.P. Groeneveld) and the University Medical Centre Groningen (prof. dr. R.O.B. Gans).
