About the author

Jodi Sturge holds a Bachelor of Science in Urban Geography from Memorial University of Newfoundland and a Master of Science in Health Geography from the University of Victoria. The research for this dissertation was conducted at the Population Research Center, Faculty of Spatial Sciences at the University of Groningen with funding provided by More Years, Better Lives, represented by ZonMw in the Netherlands. Prior to moving to the Netherlands, Jodi worked for over ten years in British Columbia, Canada in the social housing sector. She led teams and initiatives that supported vulnerable people, including individuals struggling with homelessness, mental health or addiction.
