Meeting you, **Groningen**, is just like a fantasy dream, short but profound. You have enriched my life in a completely different way. It's hard to forget the experience of taking a taxi the first night after arriving, which is more like an adventure for me. And I saw what a beautiful city at daybreak. It's a lot like Suzhou, a city where I have lived for seven years, many rivers and rain, which makes me feel intimate. I am even more grateful to everyone I meet here who makes my memory of this city more precious and vivid.

Dear **Prof. Henny**, my dear first promoter, thank you so much for all your efforts for me in the past four years. You were so amiable and patient, always listened like a friend and gave me precise assistance and answered all questions I asked, whether in research or in life. I was always touched by your unreserved help during my thesis revision and defense preparation. Your unique insight and earnest demeanour towards things left a deep impression on me. It's hard to forget that when I emailed you for help because of stress, you responded to me in time even you were on the train and patiently enlightened me. Just like the sea, you have embraced everything for me and supported me to sail forward. I am really honored and grateful for being guided by you.

Dear **Prof. Henk**, my dear supervisor, thank you so much for choosing me and it's my great honor to get your professional instructions in the past four years, which has benefited me a lot. Your guidance is like a lighthouse, which keeps me from losing my way on the road of research. Your rigorous attitude towards research and active attitude towards life have always inspired me. From experimental design to thesis revision, from English learning to solving problems in life, you always ended up with "If you have any questions, please don't hesitate to ask", which gave me the strongest support and sense of security. In the final stage, you and Henny worked hard for me day and night, which made me unforgettable and moved. Everything you've done for me and everything I have learned from you will be a precious treasure in my life.

Dear **Prof. Yijin**, my dear co-supervisor, thank you so much for helping me to move forward with your professional guidance and advice. Your warm words and smiles encouraged me a lot during my whole PhD period. I am very grateful to you for helping me to improve my English pronunciation when I prepared my defense, which I benefited a lot, even though you had a busy schedule. It's my great honor to have you as my co-supervisor.

Dear **Prof. Gaojian**, my dear Chinese supervisor, it's really lucky to have you to be my supervisor in the later stage of my PhD period. You are so approachable and chatting with you is as easy as chatting with a friend, which allowed me to show my true self. When I was depressed by pressure and confused about the future, your encouragement always made me cheer up. Every time after chatting with you, I felt that life had become simpler and gained a lot. Thank you so much for all your support from research to life and for granting request to me without any pressure.

Dear **Prof. Hong**, my dear Chinese supervisor, thank you so much for giving me this precious opportunity to start a different life. This is where it all comes from. I am extremely grateful for what you have offered me, including a laboratory with superior environment, financial support

and MacBio, a worm group. Without all this, I wouldn't have gone so smoothly.

Dear **Brandon**, my daily supervisor, thank you so much to instruct me in my bacteria experiment and help me with all the things about my project, whether they were important or trivial. From the purchase of photothermal equipment to the construction of the system, from helping me improve my English to revising papers, my project would not have progressed so smoothly without your contribution. Your professional ability to analyze and solve problems had a great influence on me and benefited me a lot. I will never forget the pictures of you drawing to help me explain every problem. It's really lucky to have you as my daily supervisor.

Dear **Prof. Jian**, thank you so much for your guidance in my master stage, which brought me an important role change, from an undergraduate to a master student. Even after graduation, your help to me has never stopped. The support without hesitation in animal experiments enabled my project to go more smoothly.

I am grateful to the entire scientific staff, **Romana, Patrick, Prashant, Theo, Jelmer, Inge, Chris** for the scientific discussion in the lunch meeting and Kolff-days, which benefited me a lot.

I would like to express my deepest gratitude to **Prof. W. Szymanski, Prof. T. Nuryastuti and Prof. R. Bayston** for being the reading committee members of my thesis and their kind comments and suggestions which helped me improve my thesis.

I would like to thank **Wya**, for your help with my program and financial issues, my life in Groningen was so smooth with your help. All your mails in my mailbox bearded witness to your help to me. Thank you. **Ina**, thank you so much for your help in the department. I will never forget your sweet smile. **ED**, thank you so much to help me with all my IT problems and your greetings at each meet. Each time when you gave me a thumb up, my first reaction was always "great", but second reaction was "een". **Willem**, thank you so much to teach me the lab rules and train me with the ML2. **Jelly, Gésinda and Reinier** thank you so much for all your help in my cell experiment. **Besty**, thank you so much for helping me to order the reagents. **Marja**, thank you so much for reminding me of something I missed in the lab. And I won't forget your smile and your happy whistle. **Joop**, thank you so much for training me AFM. **Hans**, thank you so much for training me with DLS and your little fork which helped me to enjoy my lunch.

Zhiwei and Hong ping, it must be a special fate for us to meet each other thousands of miles away. **Da Cuicui**, all the things we experienced together, those moving and shopping, chatting and traveling, laughter and tears..., will be the treasure of my life. **Da Pingping**, you're childlike and good-hearted. Chatting with you brought me a lot of happiness and will keep them. **Linzhu** and **Tianrong**, thank you so much for never saying no to my job requirements. Without your help, my work won't be as smooth as it now. **Da Zhuzi**, I will never forget our days together in Groningen and mutual encouragement and support at this critical stage, which made me stronger and steadfast. Remember our deal, get drunk together. **Tianrong**, you helped me as if they were your own business, which always moved me a lot. The early morning and the late night you

struggled for me, I will never forget. **Kunyang and Zhang Ting**, during my seven years in Suzhou, you brought me full of memories. **大师姐**, even though I am older than you, you still cared about me and protected me like a younger sister. Thank you for taking me through many first times in my life. **Zhangting**, three years of 24-hour company makes us like sisters. We know each other and we know each other's families. Your unconditional support for me makes me feel extremely lucky. **Yanting**, I was very touched by your help and encouragement I received during my job search. You are great and please believe in yourself. **Yuanyue**, our friendship has been going on for 20 years, which is really incredible. From little girls to a mother of a little girl now, from letters to WeChat, our relationship has never changed and are always there. **Dear all**, how I lucky to meet you all at different stages in my life, which make it warm and colorful. Your company has been the indispensable strength and support to get me where I am now.

Ke and Hao, it's lucky that we sat in the same office in the end of my PhD period. Thank you for your support and being my paranimfen without any hesitation. My defense will be more unforgettable because of your participation.

I would like to express special thanks to my BME colleagues. **Yong and Yuanfeng**, thank you so much for your help in work and life. The suggestions and advices have benefited me a lot during my PhD. Wish you a bright and happy future and life in Wenzhou. **JP and Fangjie**, thank you so much for organizing so many delicious meals, which made my life abroad more exciting. Hope you have a happy life with **Olio**. **Qihui and Yingruo**, it was hard to forget the delicious food and the big boxes for them you brought with the lunch, which gradually turned into a kind of expectation. **Yafei**, thank you so much for introducing this project to me, which made me start a fantastic journey. **Yanyan**, thank you so much for your reception when I arrived in Groningen and our aurora tour in Finland was an amazing experience. **Can**, the first trip to Europe with you in Portugal, we called it budget travel, was a memorable thing in my life. Thank you for your company. **Huaiying**, it's so lucky to defend together, revise thesis together and support each other and encourage each other. The last days of our PhD period are so precious. **Mari**, thank you so much for your greetings and delicious dinner. You always bring me warmth of the sunshine and I will never forget your beautiful smile. **Jeroen**, thank you a lot for your postage stamps when you heard that I was collecting stamps. They will be kept forever. **Bingran and Qitong, Lu Yuan and Xueping, Lu Ge and Liangliang, Xiaoxiang, Yuchen, Guangyue and Jing Dong, Linyan, Zhengya, Kaiqi and Yue, Siyu and Hao, Abby, Colin, Damla, Luciani, Maria, Lais, Yori**, thank you all to appear in my BME life, my life here will not be complete without your company.

I would also like to thank the people I met and helped me in Soochow University, 于谦老师, 袁琳老师, 谢谢你们在我的 PhD 项目最初期对我的指导与帮助。郑青老师, 谢谢您帮我及时审核实验所需药品, 让我的实验可以顺利进行。同时感谢支持我的朋友, 石瑞, 志浩, 仁飞, 恩迪, 巧兰, 桂梅, 李聪, 翠翠, 范敏, 韦婷, 朱朱, 姪然以及 MicBio 大家庭的每个小伙伴对我的帮助与陪伴, 你们让我感受到了难得的温暖与踏实。

I would like to thank all friends I met in Groningen, 利胜, 在荷兰遇到的老乡, 很幸运, 谢谢你帮我存放东西, 还不厌其烦的带着他们一起搬家, 谢谢你的有求必应让我在格村少了很多麻烦。王莹, 谢谢你的热情与善良温暖了我在格村的最后半年; 贇雁, 谢谢你爽朗的笑感染着我, 让我也情不自禁的跟着笑, 我们三个一起吃一起住, 一起疯一起笑的时光将成为我人生中一段美好的回忆。

Finally, I would like to give my deepest gratitude to my dearest family. You are my roots in the world. 亲爱的爸妈, 谢谢你们的养育之恩, 你们的艰辛与汗水, 爱与包容是支撑着女儿不断成长与向前的力量。每一个字背后经历的一切都刻在了脑子里, 不会忘记。过往一路由你们护着, 惟愿日后肩膀硬朗任你们依靠。我最亲爱的姥姥, 感谢上天安排我做您的外孙女, 虽然您没有读过书写过字, 但您善良与乐观, 坚毅与果敢的人格魅力深深的影响着我。喜欢靠着您肩膀发呆, 喜欢站在您身后看着您蹒跚的步子, 喜欢被您“吩咐”做不管什么。朋友们都说我长得像您, 但我更希望内在的我更像您。我最亲爱的姐姐妹妹们, 嬉笑打闹手足情深, 谢谢你们的陪伴与支持, 理解与保护, 就连妹妹也都将我作为妹妹来让着。因为你们的付出我才可以毫无顾虑的远游。想你! 我最亲最心疼的小姨。我最亲爱的家人们, 谢谢你们为我撑起的这片天, 让我可以奔跑着追寻自己的梦想。谢谢你们不计回报的爱, 将我保护的依然像个孩子。感恩今生有你们, 永远爱着你们。
