PREHABILITATION IN MAJOR ABDOMINAL SURGERY RISK STRATIFICATION AND OPTIMISING PERIOPERATIVE CARE

Proefschrift

ter verkrijging van de graad van doctor aan de
 Rijksuniversiteit Groningen
 op gezag van de
 rector magnificus prof. dr. C. Wijmenga
 en volgens besluit van het College voor Promoties.

De openbare verdediging zal plaatsvinden op

woensdag 22 juni 2022 om 16.15 uur

door

Laura van Wijk

geboren op 22 november 1990
 te Leek

TABLE OF CONTENTS

1.	General introduction and outline of the thesis	7
<hr/>		
Part I – Prehabilitation		
<hr/>		
2.	High effectiveness of a home-based bimodal prehabilitation program on preoperative aerobic fitness in high-risk patients scheduled for liver or pancreatic resection	25
3.	Study protocol of a single-arm pre-post study to assess the preliminary effectiveness and feasibility of a home-based bimodal prehabilitation program on preoperative aerobic fitness in high-risk patients scheduled for liver or pancreatic resection	51
4.	A prospective cohort study evaluating screening and assessment of six modifiable risk factors in HPB cancer patients and compliance to recommended prehabilitation interventions	69
5.	Prehabilitation: Is it worth it? A flexible tool for assessing the financial benefits of a multimodal prehabilitation program for major abdominal surgery	93
<hr/>		
Part II – Risk stratification		
<hr/>		
6.	The association between preoperative body composition and aerobic fitness in patients scheduled for colorectal surgery	115
7.	The ultimate preoperative C-reactive protein-to-albumin ratio is a prognostic factor for survival after pancreatic cancer resection	135
<hr/>		
Part III – Optimising perioperative care		
<hr/>		
8.	Risk factors for surgery-related muscle quantity and muscle quality loss and their impact on outcome	157
9.	Impact and risk factors for clinically relevant surgery-related muscle loss in patients after major abdominal cancer surgery: study protocol for a prospective observational cohort study (MUSCLE POWER)	179
10.	Summary, conclusions and future perspectives	199
<hr/>		
Appendices		
<hr/>		
	Nederlandse samenvatting	215
	Dankwoord	227
	Curriculum vitae	237
