About Author

Yusep Suparman was born on 21 May 1974 in Soreang, West Java - Indonesia. In 1998 he finished an under-graduate program in Statistics at Universitas Padjadjaran – Indonesia and started to work as a lecturer at Statistics Department of Universitas Padjadjaran. Between 2002 and 2004, he did his master programe in Consumer Studies at Wageningen Univerisity, the Netherlands. His master program was focused on economic valuations and econometrics. During the period, he also took course on advanced panel data analysis and structural equation modeling at Radboud University Nijmegen, the Netherlands. In 2009 he started his doctoral program as an external PhD student at Faculty of Spatial Science of Groningen University, the Netherlands. The results of his PhD research have been presented at international conferences and published in peer-reviewed journals.
