**Physical and Chemical Speciation of Iron
in the Polar Oceans**

**Fysische en Chemische Speciatie Van IJzer
in Polaire Wateren**

Charles-Edouard Thuróczy

The work presented in this thesis was carried out at the Department of Biological Oceanography of the Royal Netherlands Institute for Sea Research (NIOZ):

Royal Netherlands Institute for Sea Research (NIOZ)
Department of Biological Oceanography
P.O. Box 59
1790 AB Den Burg
The Netherlands

Financial support was provided by the International Polar Year program of the Netherlands Organisation for Scientific Research (NWO) as the subsidy for Geotraces sub-project 851.40.102.
