Wat is geluk

Omdat het geluk een herinnering is
bestaat het geluk omdat tevens
het omgekeerde het geval is,

ik bedoel dit: omdat het geluk ons
herinnert aan het geluk achtervolgt het
ons en daarom ontvluchten wij het

en omgekeerd, ik bedoel dit: dat wij
het geluk zoeken omdat het zich
verbergt in onze herinnering en

omgekeerd, ik bedoel dit: het geluk
moet ergens en ooit zijn omdat wij dit
ons herinneren en dit ons herinnert.
