Curriculum Vitae

The author of this thesis, Lyan Giela Koudstaal, was born on August 16th 1982, in Groningen, the Netherlands. In 2000, she graduated in 2000 at “Willem Lodewijk Gymnasium” in Groningen. That same year she started studying Pharmacy at the Rijksuniversiteit Groningen, the Netherlands. After one year she switched and started her medical study at the Rijksuniversiteit Groningen. In 2005, she started at departments of Surgery and Pathology an MD/ PhD project under supervision of prof. dr. R.J.Ploeg, prof. dr. H. van Goor and dr. H.G.D. Leuvenink. She obtained her medical degree in 2007. During her studies Lyan assisted many student work groups “tutorgroepen” and spent two months of her internships Emergency Medicine and Clinical Genetics at the University of Pennsylvania, United States of America.

From 2009 she worked as a resident in the department of Clinical Genetics at the Erasmus Medical Center, Rotterdam, the Netherlands. In December 2009 she started working as a resident in the department of Clinical Genetics at the Academic Medical Center, Amsterdam, the Netherlands.
