Curriculum Vitae

André Grow was born in Düsseldorf, Germany, on January 27, 1983. After obtaining his Bachelor's degree in Social Sciences at Heinrich Heine University Düsseldorf in 2007, he moved to the Netherlands to follow the prestige research master program Sociology and Social Research at Utrecht University with a scholarship from the German Academic Exchange Service. He obtained his Research Master's degree *cum laude* in 2009 and in the same year started working as a Ph.D. researcher at the Interuniversity Centre for Social Science Theory and Methodology (ICS) at the Department of Sociology of Groningen University, the Netherlands. As part of his Ph.D. trajectory, in 2011 he conducted a two-month research visit at the Research Center for Educational and Network Studies of Corvinus University Budapest, Hungary, with a scholarship from the TÁMOP project. In 2012, he conducted a two-month research visit at the Institute for Research in the Social Sciences of Stanford University, USA. In September 2013, he took up a position as a researcher at the Centre for Sociological Research of Leuven University, Belgium.
