About the author

Rui Qin was born on November 19th, 1987 in Henan (CH). At the age of six, she moved with her family to Chengdu, where she completed primary and high school. In 2006 she started her undergraduate studies in Teaching Chinese as a Second Language at Sichuan University. After an exchange year at Uppsala University (SE), she obtained her Bachelor degree in 2010. She was then admitted to the *European Master in Clinical Linguistics (EMCL)*, part of the *Erasmus Mundus Excellence Program*. She received training in Joensuu (FI), Potsdam (DE) and Groningen (NL). In 2012 she acquired her MSc degree with overall classification *excellent* based on her thesis *Phonological awareness and naming speed deficits in Chinese children with developmental dyslexia*. Later in 2012 she was admitted to the joint Erasmus Mundus PhD Program *International Doctorate for Experimental Approaches to Language And Brain (IDEALAB)* of the Universities of Groningen (NL), Newcastle (UK), Potsdam (DE) and Trento (IT), and Macquarie University (AU). She received training and carried out research in the University of Groningen and the University of Potsdam.
