## Curriculum Vitae

The author was born on July the 16<sup>th</sup>, 1977 in Groningen, The Netherlands. He finished secondary school at the “Zernike College Haren” (pre-university education) in 1995. The following year he started his dental education at the dental school of the University of Groningen. After receiving his dental degree in June 2001, he started as a registrar in training to become a clinical researcher (NWO-AGIKO) at the Groningen University Medical Center. The first three years of this training he combined his work as a dentist at the Department of Oral and Maxillofacial Surgery with the PhD-research described in this thesis. In September 2004 he started his oral and maxillofacial residency at the Department of Oral and Maxillofacial Surgery of the Groningen University Medical Center (head of department: Prof. dr. L.G.M. de Bont).
