## Contents

Chapter 1	General introduction	9
Chapter 2	Efferent projections from the nucleus retroambiguus to the spinal cord in the cat	19
Chapter 3	Ultrastructural evidence for direct excitatory retroambiguus projections to cutaneous trunci and abdominal muscle motoneurons in the cat	37
Chapter 4	Direct projections from the nucleus retroambiguus to cricothyroid motoneurons in the cat	51
Chapter 5	Afferent projections to pharynx and soft palate motoneurons: a light and electron microscopical tracing study in the cat	57
Chapter 6	Estrogen receptor-alpha-immunoreactive neurons in the mesencephalon, pons and medulla oblongata of the female golden hamster	85
Chapter 7	Distribution of estrogen receptor-alpha immunoreactive neurons in the cat central nervous system and projections from the periaqueductal gray to the nucleus retroambiguus	91
Chapter 8	Functional heterogeneity among neurons in the nucleus retroambiguus with lumbosacral projections in female cats	111
Chapter 9	General discussion and summary	139
	Abbreviations	145
	References	149
	Samenvatting	159
	Dankwoord	165
	Publications	167
	Curriculum vitae	168
