About the Author

Kim Pattiselanno was born on November 11, 1986 in Delfzijl, the Netherlands. She obtained a Bachelor's degree in Psychology (2009) and a Master's degree in both Psychology (cum laude, 2010) and Sociology (2010), at the University of Groningen. In October 2010, Kim started as a PhD candidate and became a member of the Interuniversity Center for Social Science Theory and Methodology (ICS) at the University of Groningen, where she was in the project group that set up and coordinated the SNARE study. Her PhD project was part of the overarching project "The Group Dynamics of Adolescent Risk Behavior" (NWO Youth & Family Program, project number 431-09-027). After her PhD, Kim was appointed a position of lecturer at the Department of Sociology, University of Groningen, and has recently been appointed to the position of research lecturer at the School of Social Work and Arts Therapies at Stenden University of Applied Sciences, Leeuwarden.
