About the author

About the author

Sanne Kuijper was born in Nijmegen on May 18, 1981. In 1999 she graduated from the Stedelijk Gymnasium in Nijmegen. After successfully completing the first year of medical study at the University of Groningen, she started studying Psychology in Groningen in 2001. Sanne assisted with data collection for the clinical cohort of the Tracking Adolescents' Individual Lives Survey (TRAILS-cc). In 2007 she earned her Masters in Psychology with a double major in Functional Psychology and Educational Psychology. She subsequently started her PhD research within the NWO Vici project "Asymmetries in Grammar" at the Faculty of Arts of the University of Groningen. Since 2015 Sanne has worked as a lecturer and researcher at the Special Education department of the University of Groningen as well as teacher at the IMC Weekend School. During her PhD she married Maarten Vos and had two sons.
