Bridging the implementation gap

A study on sustainable implementation of interventions
in child and youth care organizations

Pauline Brigitta Goense

The research for this dissertation was conducted as part of the program of the Implementation and Effectiveness of Youth Care Services research group at the Faculty of Applied Social Sciences and Law, Amsterdam University of Applied Sciences. The studies presented in Chapters 4 and 5 were financially supported by a grant from Stichting Innovatie Alliantie – a fund for research conducted by Dutch universities of applied sciences (2012-14-18P).

Publication of this dissertation was financially supported by Groningen University.
