# **Chemistry-based enzyme detection and inhibition in epigenetics**

PhD thesis

to obtain the degree of PhD at the  
University of Groningen  
on the authority of the  
Rector Magnificus Prof. E. Sterken  
and in accordance with  
the decision by the College of Deans.

This thesis will be defended in public on

Friday 14 October 2016 at 12.45 hours

by

**Maria-Eleni Ourailidou**

born on 5 January 1990  
in Athens, Greece

## **Supervisors**

Prof. F.J. Dekker

Prof. H.J. Haisma

## **Assessment committee**

Prof. A.S.S. Dömling

Prof. P. van der Veken

Prof. J.G. Roelfes

*“...and as we wind on down the road  
our shadows taller than our soul.  
There walks a lady we all know  
who shines white light and wants to show  
how everything still turns to gold.  
And if you listen very hard  
the tune will come to you at last.  
When all are one and one is all  
to be a rock and not to roll.*

*And she’s buying a stairway to heaven.”*
