## TABLE OF CONTENTS

<b>Chapter 1</b>	General introduction and outline of this thesis	9
<b>Part A. Hemostatic drugs in patients with cirrhosis</b>		
<b>Chapter 2</b>	Infusion of DDAVP does not improve primary hemostasis in patients with cirrhosis <i>Liver International. 2015;35:1809-1815.</i>	21
<b>Chapter 3</b>	Differential <i>in vitro</i> inhibition of thrombin generation by anticoagulant drugs in plasma from patients with cirrhosis <i>PlosOne. 2014;9:e88390; doi:10.1371/journal.pone.0088390.</i>	35
<b>Chapter 4</b>	Routine coagulation assays underestimate levels of antithrombin-dependent but not of direct anticoagulant drugs in plasma from patients with cirrhosis <i>British Journal of Haematology. 2013;163:666-673.</i>	55
<b>Part B. Blood loss and prevention of blood loss and RBC transfusion during liver transplantation</b>		
<b>Chapter 5</b>	Physiology, prevention, and treatment of blood loss during liver transplantation <i>In: Wagener G, editor. Liver Anesthesiology and Critical Care Medicine. Springer; 2012. p. 169-179.</i>	73
<b>Chapter 6</b>	Red blood cell transfusion requirements during orthotopic liver transplantation have increased after market withdrawal of aprotinin <i>Submitted for publication.</i>	93
<b>Chapter 7</b>	Prothrombin complex concentrate in the reduction of blood loss during orthotopic liver transplantation: PROTON-trial <i>BMC Surgery. 2013; 13: 22.</i>	107

<b>Chapter 8</b>	Serum markers of portal hypertension are associated with blood loss and transfusion requirements during orthotopic liver transplantation <i>Submitted for publication.</i>	131
------------------	---	-----

**Part C. The hemostatic status of the liver transplant recipient**

<b>Chapter 9</b>	Hypercoagulability as a contributor to thrombotic complications in the liver transplant recipient <i>Liver International. 2013;33:820-827.</i>	145
------------------	---	-----

<b>Chapter 10</b>	Abnormal hemostatic function one year after orthotopic liver transplantation can be fully attributed to endothelial cell activation <i>F1000. 2014;3:103. doi:10.12688/f1000research.3980.2.</i>	163
-------------------	---	-----

<b>Chapter 11</b>	Summary	181
-------------------	---------	-----

<b>Chapter 12</b>	Discussion and future perspectives	189
	Nederlandse samenvatting	205
	List of publications	213
	Dankwoord	219
	Biography	201
	List of abbreviations	229
