Article of the Year Award

The editors of the **European Journal of Communication** are pleased to announce the Article of the Year Award for the best article published in 2011. The prize, established in 2007, is judged by the editorial team and will be announced annually in the second issue of the following volume. The winner of the 2010 award will receive a certificate, 500 Euros and a one year free subscription to the **European Journal of Communication**.

We are delighted to announce that Todd Graham and **Auli Hajru** are the winners of the 2011 Article of the Year Award for their article entitled “**Reality TV as a trigger of everyday political talk in the net-based public sphere**” published in Volume 26, No. 1, pp.18–32.
