## **Curriculum vitae**

Ge Sun was born in Jiangsu, China, on 4 November 1991. He got a bachelor's degree in anesthesiology from Xuzhou Medical University in 2015. Because of his interest in surgery, he chose abdominal surgery during his master's period, got medical doctor certification, and finished the surgical residence training program in the First Affiliated Hospital of Second Military Medical University, Shanghai, China, in 2018 under the supervision of Professor Wei Zhang. During his Ph.D. period, he continued his research on the colorectal disease under the leadership of Associate Professor Paul Broens.
