Bridging the gap

Adipose tissue-based therapy for dermal scarring

Proefschrift

For publication of this thesis, financial support from the Graduate School of Medical Sciences of the University of Groningen / University Medical Center Groningen, Human Med AG, Schwerin, Germany and BlooMEDical Benelux BV is gratefully acknowledged.

The research in this thesis was supported by the University Medical Center Groningen, University of Groningen and by grants from the Junior Scientific Masterclass, The Ubbo Emmius Fund, Jan Kornelis de Cock Foundation and Foundation 'De Drie Lichten'.

TABLE OF CONTENTS

| | | |
|-------------------|--|-----|
| CHAPTER 1 | Introduction and outline | 9 |
| CHAPTER 2 | The power of fat and its adipose-derived stromal cells: emerging concepts for fibrotic scar treatment | 31 |
| CHAPTER 3 | Autologous lipofilling improves clinical outcome in patients with symptomatic dermal scars through induction of a pro-regenerative immune response | 63 |
| CHAPTER 4 | A comparison of intraoperative procedures for isolation of clinical grade stromal vascular fraction for regenerative purposes: a systematic review | 93 |
| CHAPTER 5 | The role of stromal vascular fraction in scar prevention: a model for a well-designed prospective double blind randomized placebo-controlled clinical trial | 131 |
| CHAPTER 6 | Platelet-Rich Plasma (PRP) influences expansion and paracrine function of adipose-derived stromal cells (ADSC) in a dose-dependent fashion | 147 |
| CHAPTER 7 | Adipose tissue-derived stromal cells inhibit TGF- β 1-induced differentiation of human dermal fibroblasts and keloid scar-derived fibroblasts in a paracrine fashion | 169 |
| CHAPTER 8 | MicroRNA-15b is decreased during cardiac fibrosis and inhibits cardiac fibroblast activation through targeting of the small GTPase intermediates Growth Factor Receptor-Bound 2 (Grb2) and Son-of-Sevenless homologue (SOS) 1 and SOS2 | 189 |
| CHAPTER 9 | Research summary and general discussion | 215 |
| CHAPTER 10 | Nederlandse samenvatting | 243 |
| APPENDICES | Abbreviations | 250 |
| | Curriculum vitae | 254 |
| | Grants & Awards | 256 |
| | Presentations & Lectures | 256 |
| | List of publications | 257 |
| | Dankwoord | 258 |
