### Copyright

Other than for strictly personal use, it is not permitted to download or to forward/distribute the text or part of it without the consent of the author(s) and/or copyright holder(s), unless the work is under an open content license (like Creative Commons).

The publication may also be distributed here under the terms of Article 25fa of the Dutch Copyright Act, indicated by the "Taverne" license. More information can be found on the University of Groningen website: <https://www.rug.nl/library/open-access/self-archiving-pure/taverne-amendment>.

### Take-down policy

If you believe that this document breaches copyright please contact us providing details, and we will remove access to the work immediately and investigate your claim.

Downloaded from the University of Groningen/UMCG research database (Pure): <http://www.rug.nl/research/portal>. For technical reasons the number of authors shown on this cover page is limited to 10 maximum.

# Curriculum Vitae

## **Studies**

2010: BCs. in Applied Physics, Radio-physics department, National University of Kiev, Ukraine

2013: MSc. “Top master in nanoscience”, University of Groningen, Netherlands

## **Professional experience**

2011: Research engineer, Ukrainian Radiation Protection Institute, Kiev, Ukraine.

## **International conference talks:**

2017, April 17-21: MRS spring meeting 2017, Phoenix, AZ, USA. Oral presentation: “An all-solution-based high-gain hybrid CMOS-like quantum dot/carbon nanotube inverter”.

2017, January 17-18: – Physics@FOM Veldhoven, Veldhoven, The Netherlands. Oral presentation: “An all-solution-based hybrid quantum dot/carbon nanotube inverter”

2015, April 6-10: – MRS spring meeting 2015, San Francisco, USA. Oral presentation: “High mobility in double gate quantum dot thin film field effect transistors”.

2010, November 14: – "Measuring dose fields over nuclear facilities: a comparison of alternative methods of delivery of radiometric equipment", Oral presentation at “Engineering of scintillation materials and radiation technology ISMART-2010”.
