# Multiscale Modeling of Organic Materials

From the Morphology Up

**PhD thesis**

to obtain the degree of PhD at the  
University of Groningen  
on the authority of the  
Rector Magnificus Prof. C. Wijmenga  
and in accordance with  
the decision by the College of Deans.

This thesis will be defended in public on

Friday 11 October 2019 at 12:45 hours

by
